

## Eligibility

### To be eligible for the rebate you must meet the following requirements:

- ✓ You must ORDER and PURCHASE in full a qualifying domestic hot water system on or after January 1, 2009 according to the following criteria:
  - \$250 for an ENERGY STAR® qualified instantaneous (tankless), gas-fired water heater with an energy factor (EF) of 0.82 or higher;
  - \$300 for an ENERGY STAR® qualified instantaneous (tankless), gas-fired water heater with an energy factor (EF) of 0.90 or higher;
  - \$300 for a gas-storage water heater that has a thermal efficiency of 90% or higher.
- ✓ The domestic hot water system MUST be a replacement unit. The existing hot water system MUST be taken out of service and properly recycled where facilities exist. Units installed in newly constructed homes are NOT eligible for this program; and
- ✓ The purchase AND installation must take place in Alberta.
- ✓ Complementary municipal rebates administered by C3 may have different eligibility criteria including but not limited to unique start and end dates. For a complete list of all available domestic hot water rebate sources, amounts and eligibility dates, [click here](#).
